2024 Summer Recreation Program

- SWIM REGISTRATION FORM -

Registered at: Plainview-Old Bethpage Community Park

As we enter the 2024 Summer Recreation program, please be aware the park you have registered for has been chosen as one of our swim locations. In order for your child to participate in swimming at your facility they must be swim tested. The swim tests provided by the Town of Oyster Bay are conducted by certified Water Safety Instructors.

These tests are done to insure the safety of your child, they are on a pass or fail basis. If your child fails that does not mean they cannot swim, they will just be restricted to the shallow end. Swimmers that pass this test will be allowed to use the entire pool at their leisure. We will be using red bracelets for "non-swimmers" and purple bracelets for "swimmers." The child will receive their bracelet at the start of each pool session.

Child's Name:

Current Address:

Town:

NY
